President's Message

Melba Jeffus

As I have said many times, life is what happens while you are making plans. Once again that has happened in my life. This accident will not define my life or what I accomplish!

We are moving into a critical mid-term election cycle. We need everyone's boots on the ground, phone banking, talking to neighbors, family and friends. We are planning several "get out the vote" events that will give everyone the opportunity to participate regardless of physical ability or age. We urge each of our members to participate in these events. Obviously, I can't block walk unless one of you volunteer to pull me in a wagon, but I can definitely phone bank. You can block walk, phone bank, and email your contacts to recommend candidates. It always

amazes me how little most people know about the races and the candidates. A friend of mine asked me the other day if Beto O'Rourke was the Republican candidate for Senator! This person calls herself a staunch Republican.

Our candidates are fighting a huge fundraising battle against a massive Democrat war chest of funding. I urge you to financially support our Republican candidates in order to help them in this fight. No amount is too small. The Democrats are pouring billions into the election and we must counter their efforts so that our people can spend the money necessary to fight and win!

This is the last election where we have the opportunity to vote straight ticket unless that decision changes before 2020. Personally, I

hope it does change. I worry about our judges and other down ballot candidates.

This mid-term election will lay the ground work for the 2020 election and that will determine the direction of our country until 2024.

Ladies, please get fired up like never before! We have to hold our majority in Washington and Austin!!!

The plan at this time is for me to be released from the hospital Tuesday, August 7th. If at all possible, I plan to attend the Women of Influence Tea. I hope I see each of you there and have the opportunity to thank you for your prayers and support. Please continue to pray for me as I work to heal. I love each of you!

Comparison of Communism, Socialism, and Capitalism

	Communism	Socialism	Capitalism
Business Ownership	Most businesses are owned and operated by the government.	The government owns and operates major industries; individuals own small businesses.	Individuals own and operate all businesses.
Competition	None. The government owns and operates everything.	Restricted in major industries; encouraged in small business.	Encouraged by market forces and government regulations.
Profits	Excess income goes to the government.	Profits earned by small businesses may be reinvested in the business; profits from government-owned industries go to the government.	Individuals are free to keep profits and use them as they wish.

Socialism is the philosophy of failure, the creed of ignorance, the gospel of envy, it's inherent virtue is the equal sharing of misery.

—Winston Churchill—

"SOCIALISM"
the new
SLAVERY

For socialism to "work," it must kill freedom by creating two types of people: those who rule and those who are nothing but moving parts in the socialist machine.

Socialism has **NEVER** worked.. It was tried in biblical times, Jamestown and Plymouth colony. Socialism rewards laziness but not hard work. Jamestown and Plymouth did not thrive until their experiment with "from each according to his abilities, to each according to his needs" was discarded after ONE YEAR of trial.

Paul had to give a warning to the Christians in Thessalonians 3:7-13:

*⁷For yourselves know how ye ought to follow us: for we behaved not ourselves disorderly among you; ⁸Neither did we eat any man's bread for nought; but wrought with labour and travail night and day, that we might not be chargeable to any of you: ⁹Not because we have not power, but to make ourselves an ensample unto you to follow us. ¹⁰**For even when we were with you, this we commanded you, that if any would not work, neither should he eat.** ¹¹For we hear that there are some which walk among you disorderly, working not at all, but are busybodies. ¹²Now them that are such we command and exhort by our Lord Jesus Christ, that with quietness they work, and eat their own bread. ¹³But ye, brethren, be not weary in well doing.*

Socialism = One World Government Communism

We are seeing this ideology accompanied with shocking "in your face" tactics the new democrat party is using to advance its agenda, from shouting down opponents to screaming vulgarities to Congresswoman Maxine Waters's call to harass public officials to wearing offensive pink hats. The American people must be reminded that socialism is not a dream. It is a NIGHTMARE that is responsible for the deaths of tens of millions of people in the 20th century.

A reminder of the values for which Republicans fight. This picture was taken along our July 4 Parade route in Rockwall and verifies all of the “tolerance” that we are TOLD we are opposing. Pictures speak louder than words.

A Republican candidate that is left unchecked on the ballot is the same as casting a vote for the other party.

Becoming a Precinct Chair:

If you are a loyal Republican, contact your County Chair and ask where the Rockwall County Executive meetings are held. Attend those meetings and ask how you can become a Precinct Chairman.
